

**Company Description** At RVO Health, our mission is to provide a better way to health and wellbeing. We own and operate the largest health & wellbeing platform in the US, supporting nearly 100 million people monthly in searching for health information, finding doctors, and taking action regarding their health. Our portfolio includes leading websites like Healthline and Medical News Today, and services like Optum Store and Optum Perks, which offer health products and prescription savings. We are committed to making health more accessible, affordable, and easier to navigate, with all our content and services being medically-backed for accuracy.

**Role Description** This is a full-time, on-site role for a Program Manager located in Fort Mill, SC. The Program Manager will be responsible for overseeing multiple health and wellbeing projects, ensuring they align with company goals, and are delivered on time and within budget. Daily tasks include coordinating project activities, managing teams, liaising with stakeholders, monitoring project progress, and addressing any issues that arise. The Program Manager will also be responsible for reporting project outcomes and optimizing processes.

**Qualifications** Experience in project management, including planning, execution, and monitoring  
Strong leadership and team management skills  
Excellent communication and stakeholder management skills  
Problem-solving and critical thinking abilities  
Ability to work on-site in Fort Mill, SC  
Relevant certifications such as PMP or Agile are a plus  
Experience in the healthcare industry is beneficial
